SEISHUNHANASHINJU・01

SHINSHOKAN

Takenake's contract with his soccer team was suddenly cancelled, and he had broken up with his lover a while ago. The desperate Takenaka throws himself into Yamazaki's arms- a senpai that betrayed him when they were in school. When he sees no end to this lifestyle, memories of his inconsolable, bitter, frustrating days come flooding back... The long version of the oneshot "The Abandoned [illegible] and you and I" [illegible].

Ahh, there's another pair of your underwear too
DON'T TAKE IT OUT FOR DRY CLEANING-

I was always,
A little afraid.
In the corner of that day's news-paper.
I found a small record of my leaving the team.
